Synergy with additional on-site projects

MINERALS Brno is seen by the professional community and the general public as an important and interesting sales event. The attractiveness of the May 2023 edition for families was enhanced by the possibility to visit the adventure park Smurfs – Magic World in the adjacent hall and win a ticket to this event in a competition.

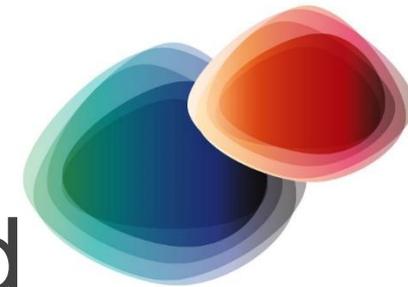

Traditional sales event

For exhibitors, MINERALS Brno is above all a sales opportunity that cannot be replaced by other sales channels. For visitors, not only from Brno, it is a welcome opportunity to expand their stone collections, or buy natural jewelry, gifts or decorations.

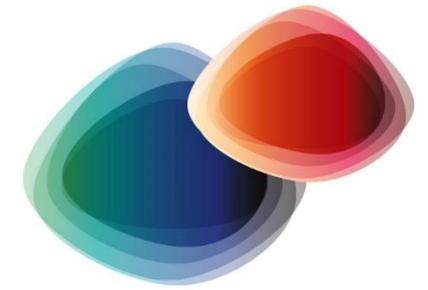

Winegrowers' Journey Around the World

Minerals Brno 2023 for the first time featured a new event entitled Winegrowers' Journey Around the World. Visitors and exhibitors could taste 300 samples of wines from all around the world.

See you again on 18 and 19 November 2023

Next MINERALS Brno is scheduled for the end of November 2023, in the traditional cozy pre-Christmas atmosphere.
